£499.00 – 10% LSC discount = £450

Advanced training for more experienced skippers building on the RYA Day Skipper course. This course equips you to navigate safely on coastal and offshore passages.

This course will take your theory knowledge to the standard required for the Yachtmaster Coastal and Yachtmaster Offshore practical exams, concentrating on advanced navigation and meteorology skills.

### Course content:

- position fixing
- course shaping and plotting
- tidal knowledge
- use of almanacs and admiralty publications
- electronic position finding equipment
- taking and interpreting forecasts
- plotting weather systems
- weather predictions using a barometer and by observation
- collision regulations
- customs and excise regulations for cruising abroad
- It allows some time for revision of the basics and then moves on to advanced navigation techniques.
